## LINKING TO NEXT STEP

*"I'm so glad you made this decision to accept God into your heart because it's the best decision that I've ever made in my life and I can't wait for you to enjoy it. And what I love about our youth ministry is that we have resources that help guide us, especially at this point where we have so many questions and might be feeling a bit confused. And the best thing is, IT'S FREE. One of the resources they provide is "Next Step" for you to read through, and I'd be more than happy to go through this with you!"*

1. If possible, ask the contact to check out the home page of Next Step before the meet-up.
2. For yourself, look through all the lessons on Next Step Online, and familiarise yourself with the content and discussion questions.
3. You can do Lesson 1 at the first meet-up! Refer to "How To Do Next Step Online".
