Worthy of the highest praise / Forever You reign, forever You reign / High above all other names / Forever You reign Lord // Victory is Yours forever / You've conquered sin and shame / Hope is found in Christ alone / Now we're gonna dance in Your freedom // Whoa / We are alive, we are alive in You / Whoa / You are the One, the only One we're living for // Won my heart and set me free / I'm living for You, I'm living for You / For all You've done and yet to do / I'm living for You Lord // Your freedom is all that we're living for / Your purpose and all that You have in store / We've settled in our hearts You are the One we're living for //

02. FOR YOUR GLORY || words and music by David Lim & Joel Tan

My whole world has changed / Because of what You've done / I'll never be the same / Because of You, because of You // You've broken every chain / My sin and past erased / I'll never be the same / Because of You, because of You // You can have my everything, I give my all to You / Jesus You're our everything, this song we sing to You // We're living for Your glory / For You alone are worthy / We're lifting highest praises / Whoa Whoa //

03. GOD BE EXALTED || words and music by David Lim

Who breathed the earth into existence? / Who holds the oceans in His hands? / Who calls the dead things back to life? / God it's You, God it's You // You level mountains, raise the valleys / You hold beginning and the end / You comfort all the lost and weary / God it's You, God it's You // God, be exalted / In our praise, be exalted / For there's none like You / Who can compare with You? // The heavens resound with praise / To the name above every name / We join with all heaven and sing / Hallelujah //

04. YOU ARE GREAT || words and music by Joel Tan

High over every mountain / The God who calms the sea / Far over every power / You reign in victory // We lift You up / We lift You up // My eyes have seen perfection / A glimpse of majesty / My heart will know Your purpose / And all You have for me // You are great, worthy of all our praise / Lifted on high, in our worship be exalted / You are great, nations declare that You reign / Lord over all, in our worship be exalted // All blessing, all honour, all glory be unto You / All victory, all power, all praises be unto You //

05. ALL TO YOU || words and music by David Lim, Joel Tan & Matthew Wee

You gave Your life for me / Suffered all my pain, took my sin and shame / You paid the price for me / Debt I could not pay / Perfect love displayed // There's no one who can compare / No life or death can separate us // Take my life, all of me / I surrender, all to You / Take my heart, make it clean / I surrender, all to You // Lord, take this life for You / Use it as You will, I give my all to You // All I am is Yours / All I have is Yours / All I am is Yours forever //

06. LET'S CELEBRATE || words and music by David Lim, Joel Tan, Jonathan Ong & Zavier Tay

You opened up my eyes / You raised me back to life / Your name brings freedom // There's power in Your name / You've broken every chain / I'm shouting out Your anthem // Whoa, we're gonna shout it out / Shout it out // We are free, we are free / There's freedom in Your name / We lift a shout of praise // We are free, we are free / There's freedom in Your name / We lift a shout of praise, let's celebrate // We lift our voice as one / And bring a brand new sound / A sound of revival // There's freedom in the name, in the name of Jesus //

07. NO OTHER NAME II words and music by David Lim

We are gathered in Your name / We are here to bring You praise / Lord Your victory is our anthem // You have come to set us free / Opened up our eyes to see / How You're moving in our nation // And the walls are shaken / And the chains are falling off / As we praise You Jesus / As we lift Your name up // Higher, higher, higher // No other name that saves / No other name that heals / No other name is greater, than Jesus //

08. RELENTLESS II words and music by Lester Sim

We surrender, our struggles and our failures / To the fullness of our Saviour / We lay it down // We desire, Your presence and Your glory / Relentless love and mercy / Come fill us now // We need Your Spirit, come and fall upon us / We need Your touch, come and fill us up / We need more of You, we need more of You // O Holy Spirit, we lay our lives before You / Set us apart, and do as You will / Come and have Your way, come and have Your way // Come Holy Spirit / We cry out to You / We cry out to You / Release Your power / God we long for You / God we long for You //
